

# TK BUSINESS MAGAZINE

## WHO WE ARE

### PRINT

TK Business Magazine is a quarterly publication focused on the innovation, growth and entrepreneurial stories of Topeka businesses. TK puts a spotlight on local business leaders and experts. Advertising options are available to help your business or organization be seen by over 35,000 readers. TK is available thanks to our advertisers who want to promote their business and the business climate of Topeka.

### RADIO

TK Business LIVE, sponsored by the Topeka Independent Business Association, airs on Sundays at 11:30 AM on WIBW 580 AM. If you are looking to share business news or expert advice for the business community, TK Business LIVE would love to have you on our show.

### SOCIAL MEDIA

**FACEBOOK:** TK Topeka's Business Magazine

**LINKEDIN:** TK Business

**TWITTER:** TK Business Magazine

Every newsfeed post, expert business advice and TK article is shared through all our social media channels. In addition, for a small fee, we can work with you to "boost" your post through TK's Facebook page and increase your reach and impact based on your target market.

### WEB // TKMagazine.com

#### TK Business Magazine Online Edition

TK Business Magazine is available in a page-turning online issue with links connected to every advertiser.

#### Business Newsfeed

Share your business news with us! TKMagazine.com places local business news on our newsfeed every day. Share with us your business growth, new products or services, new employees, promotions and we will include them on the TK website and share them through our multiple social media networks.

#### Business Growth Experts

You are the expert in your field and have knowledge to share. TKMagazine.com provides a platform through our "Business Growth" section that gives you the place to share your expert advice in the following areas: Business, Economics, Financial, Human Resources, Leadership, Legal, Marketing, Organizational Excellence, Personal Development, Start-Up and Technology. Our goal is to help businesses grow.
